"I SPEAK DOGGIE" HOW TO CARE FOR YOUR PET

In partnership with The Family Dog, the I Speak Doggie program is designed especially for preschool-aged kids. The message is simple, fun and based on a music video that will have the kids singing about dog safety long after it's over. Warning: Highly catchy...you will be humming it for days!

STAY SAFE AROUND THE DOGS YOU KNOW AND LOVE.

THEIR BODY

Pet dogs gently with one hand,
collar to tail (not on the head).

Sit **WITH** dogs, not **ON** them.

DON'T dress up dogs.

THEIR FEELINGS

Learn what dogs are saying
and listen when they need you.

Be kind. Do things dogs like.

DON'T yell, scare, hurt or tease dogs.

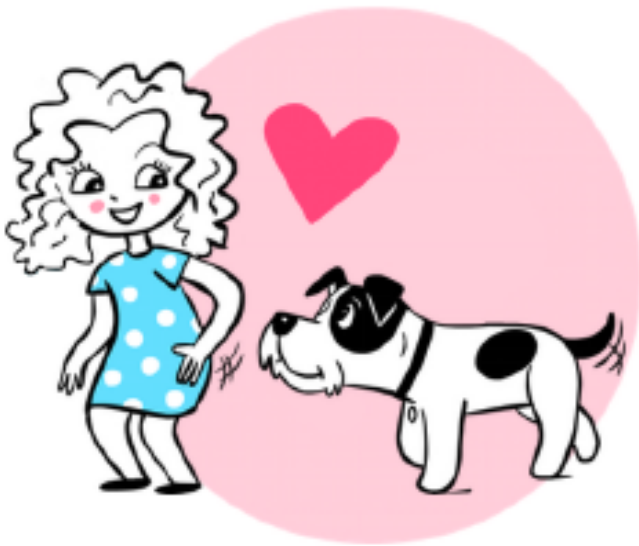

DON'T be bossy (or make dogs
do things they don't want to).

THEIR SPACE

Always invite dogs into YOUR space instead of going into theirs.

Walk away from dogs when they're in crates or resting anywhere.

DON'T go up to dogs when they're eating or chewing.

DON'T put your face in dogs' faces.

THEIR STUFF

Train and play with dogs
using treats and toys.

Let grown ups take care of dogs
when they have something they shouldn't.

DON'T take anything from dogs...

...EVEN if it's yours!
Ask a grown up for help.
