## Introducing our new Leader of the Pack, Tricia Montgomery

From the tops of our noses to the tips of our tails, a round of A-Paws to you! In 2019, you helped Paws Humane Society reach our community and beyond. We expanded our wings, aka transportation, and took off regionally and nationally, saving more lives than ever before. We adopted more animals, our clinic cared for more animals and our volunteers gave more.

We are also proud to be a partner of Columbus Animal Care & Control, helping them reach a full

year of yes-save. Without your help, support and donations, this would not have been possible. We are incredibly proud and blessed to do what we do. On behalf of Team Paws, both two and four legs, we cannot wait to see what we can accomplish together! Cheers to 2020, let's take it through the Woof!

# Violet's Story

Imagine a world where everyone had a heart as pure and innocent as the heart of a child.

The Wells family came into Paws Humane Society to take Violet, a one-year-old brindle pup that has the sweetest demeanor, on a Dog's Day Out with the hope of adopting her. Unfortunately, Violet was sick and unable to go on an adventure that day.

The Wells children were sad for Violet and wanted to do something to help her feel better. They went home and made sweet "get well soon" cards for Violet. They also took money from their piggy banks then brought the money to Paws to help pay for Violet's medicine.

It is in these precious moments that our spirits are refreshed, hope is restored and we are reminded that even the smallest, sweetest gestures of love and good-will make a big difference in the lives of our pets.

Today, Violet is living her best life in the Wells home. Thank you to the Wells family for giving Violet her forever home!
