About Paws Humane Society

Paws Humane Society is a 501(c)(3) nonprofit organization whose mission is to enrich the lives of both animals and people as a solution-based community resource for animal welfare by providing high-volume and high-quality spay/neuter, rescue, and adoption services, volunteer opportunities, outreach, and education. Paws vision is to be the regional leader for animal welfare in adoption, spay-neuter, outreach, and education to ultimately create a No-Kill Community. Paws is supported by private contributions from the citizens of our community.

About the Community Cat Program

Community cats are the unowned stray or feral cats who live outdoors in our neighborhoods. This program offers a humane, effective way to reduce the number of cats living on our streets by offering free spay-neuter surgery for Muscookee County residents only or a discounted \$35 fee for non-Muscookee county residents.
